What we can do for you!

We eliminate the work and worry of shopping and bidding by providing all products and services necessary to complete the project.

It takes a team!

Our team of designers and craftsmen, with over twenty years experience, can create innovative design and overcome any challenge to execute the project of your dreams.

From concept to execution we can identify your needs, wishes and budget to create your perfect space.

Furniture and Design

Our design team can assist you with everything from paint colors and window treatments, to home furnishings, accessories, lamps and wall art. Contact us for an accessory call. We will visit your home or office and provide and place all the pieces needed to personalize and update your space.

Rockford Kitchen Design

Gallery Interiors also houses the Award-Winning Rockford Kitchen Design studio. Featuring Fieldstone semi-custom cabinetry as well as hand-crafted custom cabinetry. Bring us your plans or call us for an in-home consultation.
